Revision No. 0

1	SECTION E
2	GROUNDWATER MONITORING SYSTEMS
3	[6 CCR 1007-3 § 100.41(c) and § 264 Subpart F]
4	
5	The groundwater monitoring requirements of the Colorado Solid & Hazardous Waste Commission
6	Regulation 6 CCR 1007-3 § 100.41(c) apply only to surface impoundments, waste piles, land treatment
7	units, and landfills. The Pueblo Chemical Agent-Destruction Pilot Plant (PCAPP) Explosive Destruction
8	System (EDS) will not contain these types of waste management units. Therefore, the groundwater
9	monitoring requirements are not applicable.

PCAPP EDS RCRA Modification Date: October 2013
